Brighu Lake Trek

Who is this for and what is it all about?

You may get a fair idea of the meadows, glacier lakes, and mountain views that Himalayan treks provide by taking this four-day hike.

Despite being a short hike, it goes to the intimidating altitude of 14,000 feet, giving you the thrill of a climb as well. It is an excellent hike for novices or families wishing to enjoy the wilderness because it is accessible from Manali.

The meadows are with you the entire way through the walk, all the way to Brighu Lake, albeit they fluctuate in texture, shape, and colour. This is what distinguishes the trek. It's an uncommon opportunity to have access to such alpine meadows the entire way during a hike.

Itinerary

Reach Chandigarh or Delhi a day before Day 1 on the itinerary. Book a bus/taxi to Manali that is likely to reach before or by 9 am on Day 1.
